

Color Palette

Approved FOP colour system and lifecycle semantics.

Palette

- Midnight: #071223 - primary platform background.
- Build / Electric Blue: #1F7BFF - BUILD(TM) and lower F arm.
- Advise / Titanium Silver: #BFC5CF - ADVISE(TM) and upper F arm.
- Protect / Electric Lime: #8CFF1A - PROTECT(TM) and vertical F element.
- Halo / Electrified Blue: #26B6FF - The Halo(TM), active protection, executive intelligence.
- White: #FFFFFF - typography and the P letterform.

Implementation

- Use centralized design tokens and theme variables.
- Use semantic names: build, advise, protect, halo, background, white.
- Colour names are implementation details. Customer-facing language remains BUILD - ADVISE - PROTECT.
