

FOP Brand Standards

Approved visual identity for the Fuzion Operating Platform.

Core Identity

FOP(TM) is the Fuzion Operating Platform.

Mission Control(TM) is the executive operating surface for Buildings Under Protection(TM).

The platform language is BUILD - ADVISE - PROTECT.

Living F

The vertical element represents PROTECT(TM) and uses Electric Lime.

The upper horizontal represents ADVISE(TM) and uses Titanium Silver.

The lower horizontal represents BUILD(TM) and uses Electric Blue.

Halo

The traditional O is replaced by The Halo(TM).

The Halo represents continuous protection, building lifecycle, stewardship, and executive intelligence.

Render it as an electrified blue circular ring with subtle energy only.

Design Standard

Quiet confidence. Timeless over trendy. Clarity over decoration.

Use the approved colours with discipline. Do not introduce rainbow gradients or decorative effects.
